

SPORT AND LEISURE FACILITIES

In the "dehesa" (*Mediterranean forest and pastures*) , just 3 kilometres from the from the city centre, Pozoblanco has a sport and leisure area known as the "Ciudad del Ocio" (*City of Leisure*), which gives place to municipal leisure facilities which make the visitor possible enjoy the different sport activities. If we speak about golf, for instance, we may say very proud that our course golf is the first municipal golf course in Spain.

In this *City of Leisure* another sports can be practised such as horse riding, aeroplane modelling, hunting and game fishing.

How to get there
Ctra. Canaleja , km. 2-3
14400 Pozoblanco

COURSE GOLF " Cabeza Oliva"

We are talking about the first municipal course golf in Spain. Pozoblanco is very proud of this fact.

The prevailing vegetation is the oak tree. Fairway grass is autochthonous and it only has artificial watering in the greens areas.

The cover is flat and this course has twelve holes. The Pozoblanco Golf Club, PGA, since 1982, organizes different trophies all year long., some of them are of great prestige, indeed, it organizes lots of short learning courses.

Players also may acquire there anything related to this sport practice. Services and facilities which may be found in this club are the following: Practice course - Club House - Restaurant and café - Showers and dressing rooms – Shop – Parking - Individual private lessons - Putting green - Golf carts - Sticks room - Practice balls - Sticks and carts rent.

The course area is 520.000square metres

The famous cuisine of the club restaurant attracts many people who love the culinary art, as well as the attached playground area for kids, called "Lee Meé- Sur- Seine Park". All this has turned the place in a very crowded familiar environment.

Definitely, we are talking about a place which gathers a lot of conditions to be visited to enjoy the large amount of activities which may be realized in full touch with nature.

Fishing Club, "Santa María" Microdam

We are talking about of the first municipal fishing reserve in Andalusia. It possesses one of the best facilities in Spain., and it is the only one in the Córdoba province.

This microdam waters harbours different kind of species:

There are many championships, which authorized by the Sport Fishing Federation, the Club organizes during the spring and summer seasons, as such as different training courses, which some of them are oriented to specific communities such as handicapped persons, school kids, drug addicts in rehabilitation,

and so on...

Every year in June, it is given a course in the Municipal Fishing School, with practice and theoretical lessons.

In addition to the Sport Fishing, this reserve makes possible the possibility of practicing another outdoors activities because it has a wide leisure area for kids, barbecue area to enjoy delicious country meals, and also a beautiful walk area around this microdam.

To top it all, the Reserve offers the following **facilities:** Restaurant - Café-Bar - Club Lounges - Guard house

The whole reserve area is 12.000 square metres.

Hunting Club

Inside the "Dehesa Boyal" (Pozoblanco oak forest and pastures), but at the right side, there is the Municipal Shooting Club "La Dehesa".

It has a rough area of 90,160 square metres.

This is the place where many supporters of this sport meet.

Here, we may find the following categories:

- Skeet shooting
- Clay-pigeon shooting
- Quail shooting

The Pozoblanco Sport Hunting Society sets up every year different championships for all the above modalities.

Also, it has to be pointed out that here it is given the course to get the hunting licence.

As well as the shooting court, we may find the following **facilities** which complete this club: Club Members Lounge - Bar- Restaurant – Kennels - Quartering Room and Hunting Testing - Wide Parking

It also need to be pointed out the doggie daycare service which the kennel area offers all over the year; especially during the holiday time.

This club is not only a place visited by hunters. The relaxing atmosphere here makes it nice to all kind of people to come, especially when the weather is good, to sit outdoors in the bar's terrace to enjoy the delicious game cuisine which is offered in the club's restaurant.
